Dear Members,

Welcome to the 17th edition of isoLACE, the ALG NSW Branch's coronavirus update.

We're looking forward to the Sydney meeting at Linwood on the 6th June.

If your Lace Group intends on recommencing face-to-face meetings in leisure centres, public libraries, Registered Clubs and other venues, again subject to social distancing measures currently in place, let us know so we can let beginner lace makers know. We continue to field calls from people interested in starting lace in their local area. As events unfold, keep an eye on the NSW Guild website and the NSW Guild Facebook page.

While some Lace Groups, such as Queanbeyan and Cooma, continue to meet regularly online using Skype, lace makers continue to maintain contact through social media: NSW Branch Facebook Group, TikTok and Instagram. Queanbeyan have also resumed their meetings at the Queanbeyan Roos Club, subject to NSW Government Public Health Orders restricting numbers at mass public gatherings. Currently, meetings are limited to 20 attendees. Contact Stefanie for more information qbnlacemakers@gmail.com.

Heartfelt thanks to all those contributing work to isoLACE. If you are making lace, we'd love to hear from you. Send photos of your work-in-progress or finished lace (along with details of threads, dimensions and the lace designer, where possible) or your lace making gear or lace setup at home or lace book reviews.

As of our December AGM we are in need of new committee members namely Demonstration Co-ordinator - please volunteer if possible. These roles need to be filled to keep the NSW branch running.
