Dear Members,

Welcome to the 34th edition of isoLACE, the ALG NSW Branch's monthly newsletter.

Sadly, Erica Brooks has resigned as President of the NSW branch, however, she leaves a legacy as her newsletter name suggestion was voted the best, so look out for the next newsletter called 'Lace_E News'. This will start next month and with a slight refresh to the format to give us a nice new look.

We have an exciting Library update to share! We hope to get the first half of the library set up at the [Epping Creative Centre](#) next week. Feel free to join the Epping ladies on Thursday 10th for their normal lace day and check the library out. Please BYO food and drink and bring \$5 for entry.

Are you looking for something new to try? You may not have heard about the free mobius scarf pattern coming out of Europe as a pattern of the month. You get a part of the pattern each month for 10 months. If interested in the pattern and pricking, please email <mailto:laceguildnsw@gmail.com>

We encourage you to keep an eye on the [NSW Guild website](#) the [NSW Guild Facebook Group](#) and the [NSW Guild Facebook page](#).

Thank you to all those contributing work to isoLACE. We are looking for more contributions to our monthly newsletter. Please, we'd love to hear from you! You can contribute by sending photos of your work-in-progress or finished lace (along with details of threads, dimensions, and the lace designer, where possible) or your lace making gear or lace setup at home or lace book reviews.

We're also welcoming suggestions for workshops, demonstrations, talks, activities, and events for future Lace Days. We encourage you to email us: laceguildnsw@gmail.com.

Craft Alive Demonstrations

It was great to be part of Craft Alive this year which was held in Rosehill. We thank all the volunteers for their time and hope they enjoyed making some lace during the event.
